Thank you for choosing our product. Please read the instruction manual carefully before using the product for the first time. If you leave the product to a third party, this instruction manual must also be handed over. Keep the instruction manual for future reference. The drawings in this manual may not match the physical objects. Please refer to the physical objects.

## 1. Introduction and safety instructions

### 1.1 Introduction

- This instruction manual is intended to familiarize you with the installation, use and maintenance of the product. In order to install the device safely and correctly, please refer to the operating instructions before using it.

### 1.2 Explanation of symbols and residual hazards

 **WARNING!** This signal symbol/word refers to a medium-risk hazard that, if not avoided, can result in death or serious injury.

 **CAUTION!** This signal symbol/word refers to a low-risk hazard that, if not avoided, can result in a minor or moderate injury.

**Hint!** This signal symbol/word warns of possible property damage.

 **WARNING!** Read the safety rules and instructions carefully. Failure to follow safety warnings and instructions may result in electric shock, fire, and/or serious injury. **Keep all security warnings and instructions for future reference.**

### 1.3. Security

#### General Safety Instructions

- After assembly, close the door
- Make sure your pet has water in close proximity at all times.
- Do not leave your pet unattended
- This cage is for transporting your pet, not to leave it in permanently.

## 2. Scope of delivery

1 x crate, 1 x tray

### 3. Assembly and commissioning

- Unlock the latch on the side of the cage, grab the wire on the top plate and turn it over like a book page. Then grab the top and side plates and pull them upwards.

- Reach inside and pull the door flap forward until it fits into the clip at the ends of the side panel. Repeat the process with the end plate.
- Connect the door flap, the top plate and the two side plates. Repeat the process with the end plate as shown in the figure above. Install rubber rings at the bottom. The top is fitted with 2 plastic handles
- Turn the closure counterclockwise so that the tray does not fall out, as shown in the figure above.

### 4. Storage and cleaning

- When you are not using the item, please store it in a dry place.
- For cleaning, it is enough to use a damp cloth.
- Dry all parts thoroughly after cleaning.

### 5. Technical data

Material:	Metal wire
Color:	Black
Size:	60cm*51cm*45cm 76cm*59cm*53cm 91cm*66cm*60cm 106cm*77cm*71cm

## 6. Environmentally friendly disposal

 **Warning! from the risk of suffocation!** Packaging material is dangerous for children. Never allow children to play with packaging material.

### 6.1 Disposal and packaging

- The packaging of your device is made of materials that are necessary to ensure effective protection during transport. These materials are fully recyclable, reducing the environmental impact. Dispose of the packaging in a bin for recyclable materials.
