Please follow all security measures in this user's manual to ensure a secure use.

Thank you for trusting in AREBOS.

Thank you for purchasing our product. Please read the operating instructions carefully before using the product for the first time. If you give the product to a third party, this manual must be handed over with it. Keep the instruction manual for future reference. The drawings in this manual may not match the physical objects. Please refer to the physical objects.

Installation

Insert aluminium bars on the two short sides.

Press brackets on both sides and fix brackets to all four corners with the little screws.

Fix footrests with the large screws and tighten with the nut.

Environmentally friendly disposal

Disposal and packaging

- The packaging of your unit consists of materials that are necessary to guarantee effective protection during transport. These materials are fully recyclable and therefore reduce the environmental impact. Dispose of the packaging in a bin for recyclable materials.
Danger of suffocation! Do not leave the packaging material lying around carelessly. It could become a dangerous toy for children.

Disposal of old equipment

- Old appliances must be disposed of in accordance with the guidelines and regulations of the local waste disposal authority. Check with your local administration for the address of the nearest recycling centre and deliver your appliance there.
