Thank you for purchasing our product. Please read the instruction manual carefully before using the product for the first time. If you give the product to a third party, this instruction manual must be handed over with it. Keep the instruction manual for future reference.

The drawings in this guide may not match the physical objects. Please refer to the physical objects.

1. Safety precautions

1.1 Explanation of symbols

This product must **not** be disposed of with household waste!

Choking hazard due to plastic bags! Keep children away!

1.2 General safety instructions

- Remove the set completely from the packaging and check it for damage/completeness before using it.
- Store packaging parts (foils, plastic bags, polystyrene, etc.) only in places that are not accessible to children, especially infants! Because packaging parts often harbor unrecognizable hazards (e.g. risk of suffocation).

2. Scope

- for attachment to a solar collector or solar heater
- suitable for hoses with a diameter of 32/38 mm
- for regulating the water flow of a pool pump

3. Scope of delivery

1 x 3 Way Valve 3 x Hose Adapter 6 x Hose Clamps 1 x Electrical Tape 1 x Tee

4. Connectivity

- With the help of the Bypass Set, solar collectors can be expanded with additional modules

- Example: Water Circuit/Pipe Connections

7. Disposal instructions

7.1 Disposal and packaging

- Please ensure that the packaging is disposed of appropriately in accordance with the guidelines and standards applicable in your region. Some of the packaging may consist of plastic bags - take special care to keep them out of the reach of children. There is a risk of suffocation!
