

AREBOS

wheelbarrow wheel

Follow all safety precautions in this user manual to ensure safe use.

CE

Thank you for your trust in AREBOS.

Thank you for purchasing our product. Please read the operating instructions carefully before using the product for the first time. If you leave the product to third parties, these operating instructions should also be handed over.

A CE marking can be used to recognize that a product complies with the legal provisions of European legal standards and may therefore be traded within the European Community.

General Safety Instructions

- Check the wheels for damage, cracks, deflections and material fatigue before commissioning!
- Keep children and uninvolved third parties away from the work area.
- Never exceed the maximum load capacity of the wheels
- Only store packaging parts (foils, plastic bags, polystyrene, etc.) in places that are not accessible to children, especially infants! Because packaging parts often pose unrecognizable hazards (e.g. choking hazard).

Weight	Ca. 2,75 kg

Disposal instructions

Disposal and packaging

- Please ensure that the packaging is disposed of appropriately in accordance with the guidelines and standards applicable in your region. In some cases, the packaging may consist of plastic bags - in this regard, take special care to ensure that they do not get into the hands of children. There is a risk of suffocation!

Disposal of old equipment

- Old appliances must be disposed of in accordance with the guidelines and regulations of local waste disposal.

Meaning of the symbol "garbage can"

Protect our environment, Electrical appliances should not be disposed of with household waste. Use the collection points provided for the disposal of electrical appliances and hand in your electrical appliances there that you will no longer use. In this way, they help to avoid the potential effects of incorrect disposal on the environment and human health. In this way, you are making your contribution to the reuse, recycling and other forms of recovery of waste electrical and electronic equipment. Information on where to dispose of the devices can be obtained from your municipalities or municipal administrations.
