Disposal instructions

- Please refer to the guidelines and standards for appropriate disposal of the packaging valid in your region. In part, the package may consist of plastic bags - watch this respect, with special care to ensure that this is not out of the reach of children. There is a risk of suffocation!
- At the end of the long service life of your article, please ensure that the valuable raw materials are disposed correctly so that proper recycling can take place. If you are not sure how to proceed, the local waste disposal companies or recycling centres will be happy to help.
