

AREBOS

HEPA Filter for Industrial Vacuum Cleaner 1300W

Follow all safety precautions in this user manual to ensure safe use.

Thank you for your trust in AREBOS.

Choking hazard due to plastic bags!
Keep children away!

General safety instructions

- Remove the item completely from the packaging and check it for damage before inserting the filter.
- Only store packaging parts (foils, plastic bags, polystyrene, etc.) in places that are not accessible to children, especially infants! Since packaging parts often pose unrecognizable hazards (e.g. risk of suffocation).

Disposal Notice

Disposal and packaging

- Please ensure that the packaging is disposed of appropriately in accordance with the guidelines and standards applicable in your region. In some cases, the packaging may consist of plastic bags - take special care to ensure that these do not fall into the hands of children. There is a risk of suffocation!
