## Traffic cones

AR-HE-VL10

Please follow all security measures in this user's manual to ensure a secure use.

Thank you for trusting in AREBOS.

Please read and save these instructions. Read through this user's manual carefully before using this product. Protect yourself and others by observing all safety information, warnings and cautions. Failure to comply with instructions could result in personal injury and/or damage to product or property. Please retain instructions for future reference.

## Safety instructions

### Safety instructions

- When carrying out traffic exercises, make sure that they are carried out calmly and with concentration.
- Define safety areas (e.g. for spectators, participants, uninvolved persons) and block these areas.
- Replace the traffic cones if the reflective properties of the stripes have been impaired.
- The pylons are not suitable as children's toys.
- Be sure to use the appropriate traffic cone for each application. In motor sports, for example, other standards apply than in road traffic.

## Technical data

<b>Model</b>	<b>AR-HE-VL10</b>

## Disposal instruction

### Disposal of the packaging

- Please make reference to the guidelines and standards for appropriate disposal of the packaging valid in your region. In part, the package may consist of plastic bags - watch this respect, with special care to ensure that this is not out of the reach of children. There is a risk of suffocation!

### Disposal of waste equipment

- Equipment must be disposed of in accordance with the rules and regulations of the local waste disposal.
