Disposal instruction

Disposal of the packaging

- Please make reference to the guidelines and standards for appropriate disposal of the packaging valid in your region. In part, the package may consist of plastic bags - watch this respect, with special care to ensure that this is not out of the reach of children. There is a risk of suffocation!

Disposal of waste equipment

- Equipment must be disposed of in accordance with the rules and regulations of the local waste disposal.
- At the end of the long service life of your article, please ensure that the valuable raw materials are disposed of properly so that proper recycling can take place. If you are not sure how best to proceed, local waste disposal companies or recycling centres will be happy to help.
