Please read and keep these instructions. Please read this user manual carefully before using this product. Protect yourself and others by following all safety instructions, warnings, and precautions. Failure to follow the instructions may result in personal injury and/or property damage.

1. Safety

- **Damage!**

If you carelessly open the packaging with a sharp knife or other sharp objects, the table can quickly be damaged.

Therefore, be very careful when opening it.

- Check that the delivery is complete.
- Take the camping table out of the packaging and check whether the folding table or the individual parts are damaged. If this is the case, do not use the table. Contact the manufacturer.

- Please read the following instructions carefully before using the item.
- Please keep this instruction manual.
- Keep children and animals away when opening/closing the camping table.
- The table is suitable for outdoor use.
- No liability is assumed for damage caused by improper use or non-observance of these safety instructions.
- Please note that this product is for private use only.
- Place the table only on flat surfaces and use it only as intended for the intended area of application. The table is not suitable as a "seat", "stepladder" or "standing surface". Do not climb or jump on the table. If used improperly, there is a risk of breakage of the tabletop and thus a risk of injury.
- Keep all packaging out of the reach of children to avoid the risk of suffocation.
- Before use, make sure that all fuses are engaged.
- Do not place objects with a high temperature directly on the table.
- All components must be kept away from open flames.
- Do not sand the camping table with abrasive objects or products.
- Do not burn the camping table.
- Before use, make sure that the table has a stable stand and stability.

2. Construction

1. The tabletop is very easy to roll out, make sure that you put a blanket or similar under the tabletop so that it does not scratch.
2. You can then slide the frame apart and place the tabletop on it. Make sure that the fuses click, for this you have to slide them down.
3. You can then attach the table top to the frame, see illustration.

4. Cleaning and storage

- Protect the folding table from moisture and heat when not in use.
- Clean the surface only with a sponge and soapy water and then let the table dry. Do not use solvent-based, alkaline or acidic cleaners. Do not use a steamer to clean.
- Do not dry directly in the sun.
- In case of bad weather conditions such as storm or hail, place the table in a sheltered place.
- Clean the table before assembling, let it dry. Store the table in a cool and dry place.

5. Disposal instructions

5.1 Disposal of packaging

- Please note the guidelines and standards applicable in your region for the proper disposal of packaging. Some of the packages may consist of plastic bags - make sure that they are not out of the reach of children. There is a risk of suffocation!
