## Hepa Filter

Follow all safety precautions in this user manual to ensure safe use.

**Thank you for your trust in AREBOS.**

**Thank you for purchasing our product. Please read the user manual carefully before using the product for the first time. If you leave the product to a third party, this operating manual must be handed over with it.**

Choking hazard due to plastic bags!  
Keep children away!

### General safety instructions

- Remove the product completely from the packaging and check it for damage and completeness before using the filter.
- Only store packaging parts (foils, plastic bags, polystyrene, etc.) in places that are not accessible to children, especially infants! Since packaging parts often pose unrecognizable hazards (e.g. risk of suffocation).

## Cleaning

The filter is washable and can be easily cleaned with water and a brush or similar tools. Then let the filter air dry for 24 hours before putting it back in.

## Disposal Notice

### Disposal and packaging

- Please ensure that the packaging is disposed of appropriately in accordance with the guidelines and standards applicable in your region. In some cases, the packaging may consist of plastic bags - take special care to ensure that these do not fall into the hands of children. There is a risk of suffocation!
